Online Security

Kinecta Direct employs the latest in security technology to safeguard your account

- Our login process is designed to identify and deter unauthorized logins
- Our systems employ the latest in encryption technologies

Keep yourself safe

It's important to do your part in securing your personal information by doing the following:

- Keep your anti virus and anti malware software updated and scan your computer daily
- Keep you computer system's security patches up to date
- Enable the firewall on your computer

Bill Pay

Bill Pay is FREE for all Kinecta members

Take control of your bill payment schedule, add and delete payees, establish one-time or recurring payments, check on the status of pending payments, and much more. All you need is a Kinecta checking account and to be enrolled in Kinecta Direct.

Use our Quick Pay feature to quickly pay multiple payees from one screen.

Almost 80% of all our payments are made electronically, ensuring your payments reach their destination in a fraction of the time as a mailed check.

Manage your Credit Cards and Consumer Loans

View your credit card transactions online in real time

- Quickly and easily make your monthly credit card and loan payments with one button click
- Use our Online Loan Calculator to get an exact payoff amount for your consumer loans
- Use our Transfer feature to make your loan payments
